FOR IMMEDIATE RELEASE

Tec-Masters, Inc. Awarded STOC II Contract

Huntsville, Alabama: February 5, 2009 – Tec-Masters, Inc. has been awarded contracts with the U.S. Army Program Executive Office for Simulation, Training and Instrumentation (PEO STRI) in both the “Full and Open Lot” and the “Small Business Lot.” This is the second STRI Omnibus Contract (STOC II).

STOC II is a multiple-award, Indefinite Delivery/Indefinite Quantity (ID/IQ) contract and serves as an efficient contracting vehicle to quickly get simulation and training products and services into the hands of U.S. and coalition service members.

Tec-Masters has successfully worked in the Defense Industry for over 20 years, including seven years of proven STOC performance. Contract management will take place in Orlando, Florida, supported by Huntsville, Alabama and Lawton, Oklahoma.

“We’re proud to be partnered with PEO STRI to support our Warfighter,” said Dr. Marvin Carroll, President of Tec-Masters. “We continue our commitment to unsurpassed dedication, quality and reliability.”

Tec-Masters, Inc., headquartered in Huntsville, Alabama provides innovative technical solutions for Defense, Federal and Commercial customers worldwide. We specialize in Mission Support, System Integration, Maintenance, Training, Multimedia Production, Logistics, Information Technology, Software Development and Customized Engineering & Manufacturing.
