FOR IMMEDIATE RELEASE

Tec-Masters, Inc. Inducted Into Dreamweavers Hall of Fame

Huntsville, Alabama: February 13, 2009 – Alabama Governor Bob Riley joined Alabama State University to induct Tec-Masters, Inc. President Dr. Marvin P. Carroll and eight other businesses into the Dreamweavers Hall of Fame.

These nine businesses were recently featured by Black Enterprise magazine as some of the nation's largest black-owned businesses. They collectively responded to a more challenging and competitive business environment by aggressively working toward the expansion of revenue base and markets.

“It is a great honor to be acknowledged in this way,” said Dr. Carroll, President of Tec-Masters, Inc. “Creating a successful business takes a lot of hard work but ultimately it’s about the people. This is a journey we choose to take together. Outstanding performance has always been necessary but it’s not sufficient. We never forget our customers. As my mother informed me years ago, people do business with people they like.”

Tec-Masters, Inc., headquartered in Huntsville, Alabama with offices throughout the United States, provides innovative technical solutions for Defense, Federal and Commercial customers worldwide. They specialize in Mission Support, System Integration, Maintenance, Training, Multimedia Production, Logistics, Information Technology, Software Development and Customized Engineering & Manufacturing.
