Where Technology Meets Imagination™

FOR IMMEDIATE RELEASE

Tec-Masters, Inc. Team Awarded TACOM Omnibus III Blanket Purchase Agreement

Huntsville, Alabama: March 23, 2009 – Tec-Masters, Inc. has been awarded a major Omnibus Blanket Purchase Agreement (BPA) by the U.S. Army TACOM Contracting Center to provide professional services to the Program Executive Office for Combat Support & Combat Service Support (PEO CS & CSS), Program Executive Office for Ground Combat Systems (PEO GCS), Program Manager for Future Combat Systems (Brigade Combat Team) (PM FCS), US Army Tank-Automotive Research, Development and Engineering Center (TARDEC) and US Army Tank-Automotive Depots and Arsenal.

Tec-Masters, Inc. is one of twelve (12) Prime Contractors selected to receive a TACOM Contracting Center BPA. TACOM is in the forefront of the Army's transformation to a lighter, more lethal and survivable force. All efforts are focused on improving the readiness and battlefield dominance capability of our Warfighter.

The TACOM Omnibus III program provides professional services for timely cost effective management through Task Order Awards against Blanket Purchase Agreements governed by General Services Administration (GSA) schedules. The Tec-Masters Team will provide: Program/Project Management; Product Assurance and Testing; Technical Services; Engineering Services; and Logistics Services.

“We’re proud to be partnered with PEO CS & CSS, PEO GCS, PM FCS, TARDEC, and TACOM Depots and Arsenal to support the ultimate benefactor of our performance - the Warfighter,” said Dr. Marvin Carroll, President of Tec-Masters. “We continue our commitment to unsurpassed dedication, quality and reliability.”

The U.S. Army TACOM LCMC, headquartered in Warren, Michigan, is one of the Army's largest weapon systems research, development, and sustainment organizations. Tec-Masters has opened a Program Office in Sterling Heights, MI in support of this BPA.

Tec-Masters has successfully worked in the Defense Industry for over 20 years. Headquartered in Huntsville, Alabama, Tec-Masters provides innovative technical solutions for Defense, Federal and Commercial customers worldwide. We specialize in Mission Support, System Integration, Maintenance, Training, Multimedia Production, Logistics, Information Technology, Software Development and Customized Engineering & Manufacturing.
