Tec-Masters, Inc., one of Huntsville's most diverse high-technology companies, and *Who's Who Magazine in Huntsville* have partnered to provide customers with an affordable way to produce :30 second video commercial *e-Spots*, distributed through e-mail, to thousands of Madison County businesses. Tec-Masters, Inc. award-winning Multimedia Department provides you with full video production services including:

- On-location video shoot at your business
- Non-Linear Professional Editing
- High Quality Music Library
- Your Company Designee and/or Voice Over
- Animated Graphics (as appropriate)

Use *e-Spots* to spotlight your products and services with the newest and best way to personally reach your potential customers...through their e-mail In-Box.

E-Spots will be distributed - two times - using *Who's Who* Broadcast E-mail programs. *E-Spots* can then be used through your own e-mail outlets and posted to your website.

Tec-Masters, Inc./Who's Who *e-Spots* have a 14-day production cycle and include:

- One edited & compressed :30-second commercial for Broadcast E-mail
- Two Broadcast E-mails through Who's Who dynamic outlet to thousands of businesses in the Huntsville/Madison County area
- An uncompressed video version on DVD
- Intellectual property rights
- Original footage
- Video placed on Who's Who Website
