Where Technology Meets Imagination™

FOR IMMEDIATE RELEASE

Tec-Masters, Inc. Wins \$24.8 Million SETA Contract at Ft. Sill

Huntsville, Alabama: June 28, 2011 – Tec-Masters, Inc. (TMI) has been awarded a \$24.8M five-year contract to provide Systems Engineering and Technical Assistance (SETA) support to the Fires Center of Excellence at Ft. Sill, Oklahoma. This is the fourth consecutive competitive contract award to TMI (previous awards: 1991; 1997; and 2003). This award is confirmation of understanding our customer and outstanding past performance.

TMI's Fires Division, located in Lawton, Oklahoma, will execute and manage the SETA contract. "This contract represents a major step forward in TMI's vision to continue and expand our business at Fort Sill and to support soldiers," said Ms. Hillary Brown, Director, TMI Fires Division and the FCoE SETA contract Deputy Program Manager.

Under the SETA contract, TMI and its teammates will support the Fires Capabilities Development and Integration Directorate (CDID), Fires Battle Lab and TRADOC Capability Managers (TCM) of the Fires Center of Excellence (FCoE). TMI will provide Concept Development; Doctrine Development; Training Development; Organizational Development; Experimentation; Studies and Analysis; Models and Simulations; Test and Evaluation; Science and Technology; Materiel Requirements; and Operational Environment support. TMI's teammates for this effort include Booze Allen Hamilton, CGI Federal, Dynamics Research Corporation, Science Applications International Corporation, Eagle Systems and Services, Intelligent Decision Systems, Inc., Quantum Research International, Research Analysis and Maintenance, SGIS Salient Federal Solutions, Systems Studies, and Simulations, Inc., Stellar Solutions, Anautics, Inc., and Wyle.

Tec-Masters has focused on the fact that "quality is the key to customer satisfaction." As a result, their commitment to quality, the versatility of TMI personnel and the powerful combination of processes and products has produced a long and successful customer history. TMI's quality initiatives include ISO 9001:2008, Six Sigma and CMMI Level 3. TMI understands how to do more with less—a requirement of the Government—and provides cost effective, innovative solutions to its customers. They know the power of combining people, processes and products to achieve success.

Headquartered in Huntsville, Alabama, TMI has supported the Defense Industry and Commercial customers for over 22 years. The company specializes in Mission Support, System Integration, Maintenance, Training, Multimedia Production, Logistics, Information Technology, Software Development, and Customized Engineering and Manufacturing.
